### For a **beautiful** you

Now experience beauty treatments with a difference. Brainchild of Radhika Rai, ZOYA is a salon that aims to move your soul. It was her insight to truly cater to the needs of people who are trying to accustom themselves to the needs of changing lifestyle. Unlike many others who claim to offer international standards, ZOYA makes no such claims but promises to serve your soul. Their aim is to treat every individually personally, according to his/her body needs. At ZOYA, they believe that nothing moves the soul the way nature does. Thus, instead of depending on heavy machinery and complicated techniques, their mantra is to keep it natural. "Our ranges of French facials are natural—they have a completely organic base and we import the products and use them without any dilution," says Rahul Rai about how they ensure being as close to nature as possible. The services offered are: hair care and rejuvenation, full body massages, body rituals, body scrubs, body wraps, Express massages, Express Facials, aroma magic facials, French facials, men's facials, special luxury treatments, hand and feet spa,

nail services and makeup. ZOYA offers some signature treatments like—Zoya candle massage, Zoya signature brightening hand and feet spa, Zoya signature brightening facial and Zoya eternity bride.
